SS Physics I “Vocabulary to Know” Free Fall & Projectile Motion

No.		Name	
-----	--	------	--

in four digits

No.	English	remarks	Japanese	check
1	free fall			
2	projectile motion			
3	parabolic motion			
4	theoretical			
5	path			
6	fire			
7	launch			
8	at an angle			
9	air resistance			
10	simultaneously			
11	friction			
12	due to			
13	gravity			
14	gravitational field			
15	strength			
16	increase, decrease			
17	independence			
18	separately			
19	independently			
20	cannonball
