SS Physics I “Vocabulary to Know”

Energy

No.		Name	
-----	--	------	--

in four digits

No.	English	remarks	Japanese	check
1	kinetic energy			
2	potential energy			
3	store			
4	electron			
5	photon			
6	thermal			
7	nuclear			
8	electrostatic			
9	transformation			
10	transfer energy			
11	theorem			
12	external force			
13	gravitational potential energy			
14	elastic potential energy			
15	stretch			
16	compress			
17	current			
18	reference point			
19	conservation			
20	create			
21	destroy			
22	mechanical energy			
23	conversion
