

SS Physics I “Vocabulary to Know

ILC

No.		Name	
-----	--	------	--

in four digits

No.	English	Japanese	No.	English	Japanese
1	International Linear Collider		13	annihilate	
2	linear collider		14	detector	
3	candidate site		15	precious	
4	accelerator		16	elementary particle	
5	anti-matter		17	Large Hadron Collider	
6	positron		18	Higgs boson	
7	13.8 billion years ago		19	predict	
8	bunch		20	composition	
9	device		21	mere	
10	envelope		22	rest	
11	degrees Celsius		23	dark matter and dark energy	
12	superconducting		24	synergy	

What is ILC?

What can you contribute to the ILC?
